

Go Hog Wild

**and Earn Ca\$h
for your
Pack, Troop, or Crew!**

Minsi Trails Council, BSA is teaming up with the *IronPigs* to give Scout units the opportunity to earn extra cash.

The *Cash for Trash* program works like this:

- Scout units provide six Scouts (2nd-year Webelos or older) and two adults for an IronPigs home game at Coca-Cola Park
- The Scouts will walk with trash bags among the rows of fans to collect trash during the whole game.
- The unit will earn \$75.00 for their service for each home game worked ... PLUS they will receive eight ticket vouchers (six youth and two adult) for a future IronPigs home game
- That's it, *Cash for Trash* ... while helping out the home team - the Lehigh Valley IronPigs!

This will be a fun project for any Scout unit, and remember you'll:

- Earn \$75.00 per home game for your unit
- Get eight free tickets for a future home game
- Give your Scouts great visibility doing a service project
- Get to see the game and experience the new stadium

Sign up is easy, but there are only 75 home events to choose from. Visit ironpigsbaseball.com to view the schedule. To sign up contact Daniel Paschke at (610)465-8575 or email dpaschke@minsitrails.com. Two game sign up until March 31, 2009.
