

# Jumpstart Your Career!

# Exploring

## What is Exploring?

Exploring is based on a dynamic relationship between youth and the organizations in their communities. Local organizations initiate Explorer posts by matching their people and program resources to the interests of young people in the community. The result is a program of activities that helps youth pursue their interests and try out a career.

## Why?

- Learn to see what fits you!
- Small, friendly workshops
- No work experience required
- Gain hands-on experience
- Start networking immediately
- Sessions taught by professionals in the field

## When and Where?

Please use the contact information on the right to Explore your interest.
