

Minsi Trails Council 100 Mile, Motorcycle Pledge Ride *Saturday, May 15th, 2010*

100 Mile, "Friends of Scouting" Motorcycle Pledge Ride, Saturday, May 15th, 2010 Sponsored by USA Architects

Start your engines and cruise along as we celebrate 100 Years of Scouting in the U.S. The goal is 100 motorcycles, 100 miles and \$10,000 raised to help the Minsi Trails Council continue the journey of Scouting for more than 12,000 boys across the Lehigh Valley and beyond.

Scouting fast facts: For 100 years, Scouting has been the link connecting young people, including youth in our urban areas, to the character and leadership building traditions that strengthen our families, our communities and our country. The Boy Scouts of America emphasizes community service, personal fitness, and achievement. The skills that Scouts learn help them throughout their lives in meeting challenges, developing character and prepare them to be responsible, caring adults.

Ride Info: The ride will begin at the Minsi Trails Scout Office and travel a scenic route through the Lehigh Valley and into the Pocono area. A refreshment stop will be made at Pocono International Raceway (with a possible lap around the track). The ride will conclude with lunch at Kutztown University where an expected 7,500 Scouts and leaders will be celebrating the 100th Anniversary of Scouting at *JAMBO 100*.
