basis. On-site camping services for sanitation, water, trash, and security/fire protection will be provided. NO FIRES are permitted.

SPECIAL PROGRAMS:

Inflatable-attraction midways, music bands, petting zoos, magicians, various sports activities, and climbing walls are among a few of the activities that are being planned JAMBO100.

BOY SCOUT PROGRAM:

Last Jambo we had some great activities. For JAMBO100, we'll have even more fantastic programs! So far, plans include: a special Friday-night activity exclusively for Boy Scouts, a contest for eating two hotdogs the fastest, launching projectiles from a trebuchet, a C.O.P.E. Course (low elements), sports activities, shooting sports, games, select merit badges and many more exciting programs that will make JAMBO100 a great Scouting event. Programs will focus on fun for both Scout patrols and individual Scouts alike. If you have any activity ideas or want to help out, please contact either Ed Bechtel bec1218@ptd.net or Don Hoffman donald396@excite.com. More details will be announced in upcoming JamboNews editions.

CUB SCOUT PROGRAM:

Cub Scouts better be resting up for all their activities at **JAMBO100**. Of course there will be popular events like shooting sports and bottle rocket launching, but Cubs will also see a model train display, learn about fishing, camping and sitting in a kayak.

In addition, Cub Scouts will have the opportunity to earn some great belt loops: Art, Astronomy, Compass, Marbles, Map, Music and Science. Who wants to get slimed? Come and learn how to make it!

Speaking of making it, there will be an even bigger 'Make It' station. If your Pack has never held a Raingutter Regatta, you'll be able to experience this unique activity. Cub Scouts will have over 70 activities to choose from. Be sure to join in on the fun!

VENTURING PROGRAM:

Venturing for **JAMBO100** is well underway and the committee is planning great programs, activities, and camping. We are working to make this Jambo the **BIGGEST** and **BEST** ever for Venturers! So, if you are a male or female ages 14-21 and registered with a Venture Crew, make sure you **WEAR GREEN** because we want to see the biggest showing of Venturers **EVER** at **JAMBO100**!

If you are interested in helping out with Jambo plans in the Venturing Division, please contact: Jason Capone, Venturing Chair, at jacapone@gmail.com or Amy Frantz, Venturing Staff Advisor, at afrantz@minsitrails.com.

SHOOTING SPORTS:

Shooting sports will be available for all age groups. Cub Scouts can enjoy the BB gun, Archery, Marshmallow Blow Gun, and Sling Shot ranges. Boy Scouts and Venturers can enjoy Archery shooting, Tomahawk throwing, Knife throwing and a great Paintball range.

FRIDAY/SATURDAY NIGHT SHOWS:

Every night there will be activities or shows for all participants to enjoy!

The Saturday night extravaganza will feature special guest appearances and the nationally acclaimed group Recycled Percussion!

RECYCLED PERCUSSION

Recycled Percussion has emerged as one of the most powerful touring shows in the U.S. The band has single-handedly brought the terms "Power-Percussion" and "Junk Rock" into mainstream music circles with their acclaimed live show.

Remarkable hard-rock drumming led by the world's "fastest extreme drummer" Justin Spencer, and the hip-hop funk grooves spun by turntablist "DJ Pharaoh" create music that is a fist-pumping thrill to experience.

Recycled Percussion's dynamic live performance is considered to be the peak of on-stage percussion extremity. Performing on everything from their signature "trash" kits, including plastic buckets, huge ladders, mortar casings and giant 50 gallon containers, the band keeps the audience on their feet throughout their stage show.
